

HASIS Transition Communication.

It is critical that there are opportunities for staff, parents and students to communicate questions and ideas and equally for the transition team to update everyone on information and progress. There are a number of opportunities for this to happen:

The school web site transition pages where there is an array of information such as questions that have been posed and answered or other developments and information. Key events and dates are also advertised here: <http://www.hasis.edu.om/Pages.aspx?PGID=&PID=0&MID=44>

The school transition email address where there is opportunity for questions and discussion with a member of the transition team:

ParentsQueries-HASIS@OMANLNG.CO.OM

Fortnightly coffee mornings which are based at the club in the snooker room and is aimed at being an informal opportunity to meet and discuss points with key staff involved in the transition 10am-11am

Full public meeting updates in the sports hall at the club where more detailed information is presented and opportunity for questions are given. These are periodic and advertised on the web site and social media when planned.

The transition office: This is where the transition team are based. There is an Omani Lady called Maryam Al Aرامي who will happily help with translation if you would like to discuss something or if you have ideas or questions.

Communication is critical at all times and we have an open door policy so please, if you would like to discuss something then please get in touch.
