Keeping in touch...

Whole School Headlines: 20/12/18

END OF TERM ONE

Today was the final day of Term One at HASIS, and marks the end of our first full term in the new campus.

This morning has been packed with a range of fun events for students across the school. This have included arts and crafts, running races and tug of war, even including the teachers. All the events were house-based and designed to foster that important sense of unity and belonging in the four different house groups.

Later today, the School assembled to

celebrate the end of term together. We looked at the events from across the term, and thanked everyone for their involvement. Nearly all the students present had earned certificates for the large number of house points they have earned over the course of November and December. All of their efforts in class and for tournaments and events will accrue points which will be totalled and added towards the termly total.

The four new House Icons, each a symbolic animal, were unveiled for the first time. These are shown below and

are Wolves for the Blue House, Turtles for the Green House, Owls for the Purple house and Tigers for the Yellow House. Each were designed by the following prize winning students.

Yellow - Thuraiya Al Salti

Blue – Arwa Wejan

Green - Najoud Al Mahyijari

Purple - Jana Al Mamari

Many medals were also given to winning teams in the Football tournament, with the Purple Owls coming out on top—this term!

“dedicated to educating confident, innovative and brave children to their highest academic and creative potential”

The new School Information and Communication app, Skolaro has been launched for use. This is designed to provide all parents with the tools and opportunity to track the progress of their children, and to open channels for efficient communication.

The launch event took place in the Multi-Purpose Hall on 12 December. All the relevant documents including Learning Guides for all years, policies and procedures and other key communications to parents are being uploaded. Please look out for assignments, tests and quizzes for the students which will be delivered through this app.

SKOLARO LAUNCH

This system has been designed with the aim to provide you with more efficient tracking and supervision of schoolwork and attendance, and is the first phases of the system's delivery. At this stage, we would appreciate your help checking your child's details are correct.

In order to help everyone understand the role and potential of the new app, we will present this once again on Wednesday 9 January at 7 pm in the Multi-Purpose Hall. In the meantime, if you have any issues related to login or data which requires attention, please reach out to us on the following emails:

QSNAR0@olingschool.onmicrosoft.com

yogesh.kumar@buzzyears.com

We thank you for your support and hope you will find the system very useful.

INTER-HOUSE FOOTBALL

Across the final week of term, the School has held our first House tournament. Several football matches were held with different year groups from Monday to Wednesday.

From Grades One to Eleven, students have participated in the matches, with some terrific

support from their peers in the same houses on the sidelines.

Although each of the houses had some success in different year-group matches and received medals, the overall winner of this first School tournament was the Purple House, who received their well-earned trophy in the final assembly of term today.

The School will hold similar house events in different areas such as sport, creative and performing arts and cultural activities in the year to come. We will hold one of these events each half-term, giving each house plenty of opportunities for healthy competition.

The next two weeks at HASIS...
