

Hay Al-Sharooq International School

House points

House points form our whole school reward system here at HASIS

It encourages a team ethos across the school and allows children of all ages to have a common goal.

How are house points earned?

House points are given out as a recognition of achievement by individual children. They will include things such as:

- Demonstration of positive learning behavior
- Being kind to each other
- Being polite and well-mannered to those around them
- Respecting ourselves, each other and our community
- Making smart choices

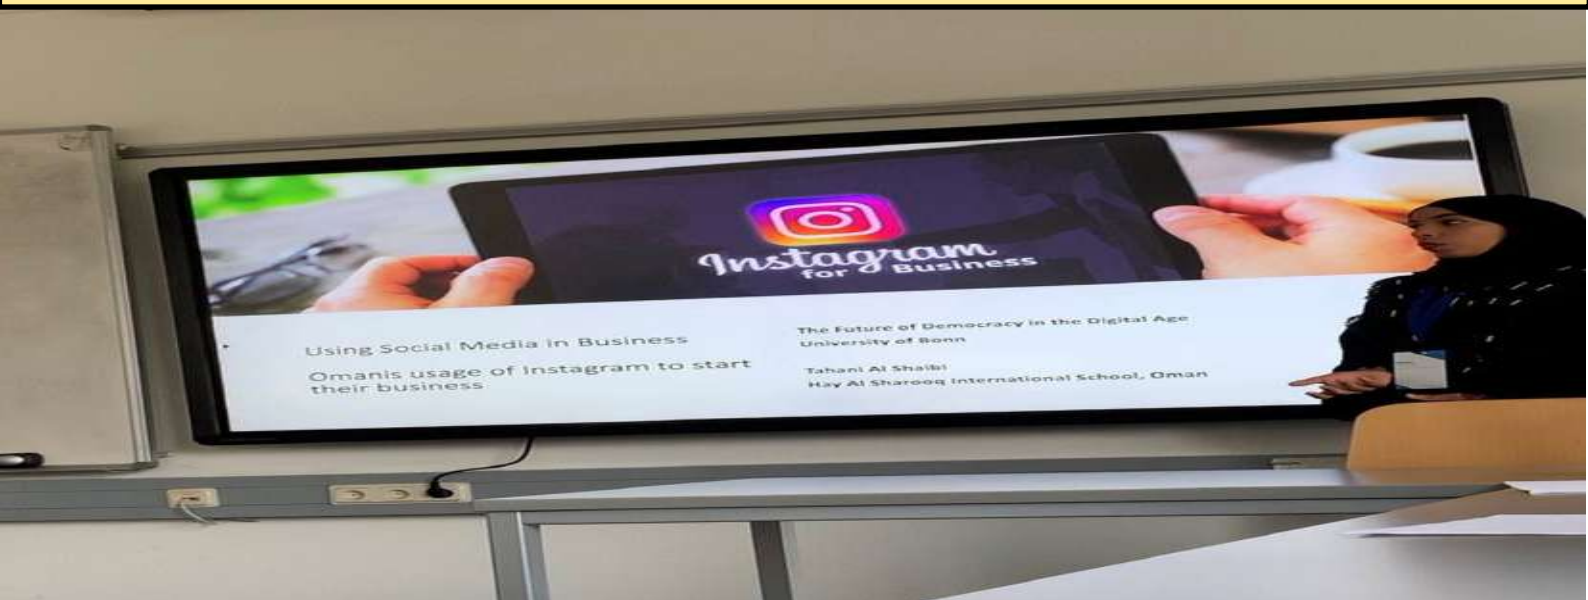

“dedicated to educating confident, innovative and brave children to their highest academic and creative potential”

We Empower Our Staff

Ms. Tahani Al Shaibi, our school communication officer has been chosen as a presenter in the 4th international conference of media and communication in Germany. Conference took place in University of Bonn from 26-28 September. We are very proud of her. **POWRING** our staff!

To ensure that our students are safe at all times, we have invited the civil defense office to our school to look at our school safety systems and emergency evacuation plans. The meeting ended up with many positive outcomes which will help us with improving the safety standards across the school.
